REPORT

A MONTHLY PUBLICATION OF THE CIRCUIT COURT CLERK'S OFFICE OF METRO NASHVILLE-DAVIDSON COUNTY

E-Filing Project Update

The e-filing project is off to a great start and we are in the final stages of our phase 1 design. Development and configuration with our current system will be our next milestone. The e-filing system will be robust and allow the filing of cases electronically across the Circuit, Probate and General Sessions-Civil offices. The system will automate and streamline many functions within each office. We are grateful for the feedback and suggestions received from members of the legal community after the CLE class last April. The project will be implemented in different stages with each respective office. Stay tuned for future updates.
