

FOURTH CIRCUIT COURT STAGGERED MOTION DOCKET INFORMATION

The Fourth Circuit Court Staggered Motion Docket will now be reflected in the **FINAL MOTION DOCKET** listed under the “Circuit Dockets” tab located on the Davidson County Circuit Court Clerk’s website.

Motion Times

Times for the Motions scheduled to be heard are reflected at the top of each page of the docket. Motion times are generally:

8:59 a.m. for Default Motions

9:00 a.m. for motions that are expected to take less time.

10:00 a.m. for motions expected to take more time.

There may be times where motions are scheduled for 11:00 a.m.; however, that is rare.

Granted Motions (without a hearing)

Motions that are automatically granted without a hearing will be found at the end of the docket. The heading for the page will read “**GRANTED MOTIONS.**” If a case is reflected on this page, no appearance is necessary, and the attorney may simply submit an Order on the Motion as if the Motion was heard and granted.

Other Useful Information

1. Responses to Motions are optional. If filed, a copy must be delivered to chambers, by 12:00 p.m. on the Tuesday before the motion hearing.
2. Please be sure to call chambers at 615-862-5910 to provide information on docket announcements (*i.e. continuance, agreed order, strike, etc.*). This should be done even if a notice or Agreed Order has been filed, as the Court does not receive these notices.
- 3. For announcements, please call chambers the week the Motion is scheduled to be heard and no later than 8:45a.m. the Friday of the Motion hearing; otherwise, you may announce in court.**
