October is Breast Cancer Awareness Month - a time to raise awareness, show support, and encourage women everywhere to prioritize their health by getting regular screenings. Early detection saves lives, so we urge everyone to take action and get themselves checked.

We also want to take a moment to honor and celebrate our incredible survivors, **Brittany Hayes** and **Kiesha Bass**. Their strength and resilience are a source of inspiration, reminding us all of the power of hope and perseverance.

Let’s wear pink this October and stand together in support of all those affected by breast cancer!

Celebrating Hispanic Heritage Month: A Journey Through Culture and Community

Hispanic Heritage Month which is celebrated annually from September 15th to October 15th, began as a week-long celebration in 1968 and was expanded to a month in 1988. This period honors the histories, cultures, and contributions of Hispanic and Latin American communities, coinciding with the independence anniversaries of several Latin American countries, including Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua.

Each day we shared a Word or Phrase of the Day with pronunciations provided by our very own Miguel De Jesus, allowing our team to learn and appreciate the richness of the Spanish language. Additionally, we turned learning into a fun challenge with a game of *Guess That Country*. Throughout the month, random pieces of the South American map, along with interesting facts about each country, were sent to the team. Participants who correctly identified the countries were entered into a raffle, and this year's lucky winner is Layron Carter!

Our celebration has been a wonderful way to honor Hispanic heritage and build cultural appreciation across our organization.
