HOPPING INTO SPRING: Serving the Community, One Egg Hunt at a Time

The Circuit Court Clerk’s Office welcomed the spring season in a meaningful way by participating in two community egg hunts held on March 28 at Southeast and West Park Community Centers.

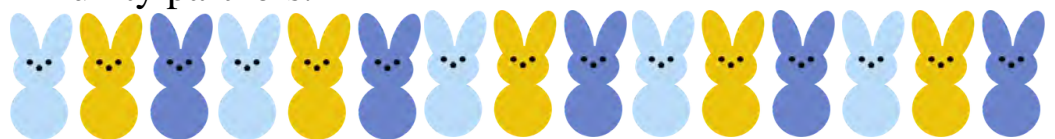

Team members volunteered their time and energy to support these family-friendly events, helping create a fun and welcoming experience for children and families across the community. From assisting with event setup to engaging with attendees, our team played an important role in ensuring each event was a success.

As we “hopped” into spring, we are grateful for the opportunity to be present, to serve, and to make lasting memories alongside our community partners.

STARTING QUARTER 2 WITH GRATITUDE

The Circuit Court Clerk's Office kicked off Quarter 2 with a special Employee Appreciation fellowship breakfast, held during the All-Teams meeting. This gathering provided an opportunity for team members to come together, connect, and enjoy a moment of appreciation before the start of the workday.

More than just a meal, the event reflected the growing culture of recognition being fostered across the organization under Clerk Day's leadership. By creating intentional moments to celebrate team members and their contributions, our office continues to build an environment where people feel valued, seen, and supported.

Recognizing the efforts of our team is not limited to one event—it is an ongoing commitment to uplifting one another and acknowledging the work that makes a difference each day.

Q2 Spotlight Recognition
